

LogiSYM

The Magazine for Supply Chain Executives

2017 Media Kit

www.logisym.com

INTRODUCTION

We are delighted to welcome you to The Magazine for Supply Chain Executives, an industry journal that brings you the latest developments in logistics and supply chain management in Asia and beyond.

LogiSYM magazine and our series of annual events provide a forum for thought leaders in the 3PL industry. With over 80,000 opt-in subscribers, we offer unprecedented reach to our commercial partners. Our global readership encompass shippers, forwarders, 3PLs, ports, airports, airlines, and road and rail freight executives and spans the major industry verticals.

LogiSYM is published monthly in digital format and quarterly in print and features news updates, industry analysis and one-on-one interviews with leaders in the supply chain industry. We also produce knowledge and solution-based case studies and examine the logistics trends that are shaping the world we live in.

Our mission is to bring a new dimension of supply chain knowledge to our readers, differentiating us from all existing publications by supplying cutting edge industry information that facilitates the business success of logistics executives.

As the official journal of The Logistics and Supply Chain Management Society, LogiSYM is the only magazine that has been created purely to serve its readers.

This Magazine is part of the renowned LogiSYM brand, a proven industry player in the field of Education & Training as well as an organizer of Supply Chain Conferences across Asia.

In an industry of constant change and innovation, we provide the knowledge that enables our readers and Society Members to stay ahead of the information curve.

And nobody knows its readers better than LogiSYM. Our home is the Asia Pacific region, but our subscribers cover the whole range of supply chain providers and buyers worldwide. Whatever your marketing or advertising requirements, LogiSYM can facilitate your business success.

Joe Lombardo
International Editor, LogiSYM Magazine

EDITORIAL SUMMARY

LogiSYM Magazine contains a comprehensive combination of regular columns and feature sections encompassing the business issues and technology developments relevant to today's logistics professionals.

REGULARS

AIR NEWS

All the latest information from carriers, terminals and airfreight forwarders.

MARITIME NEWS

We examine the latest strategies of container lines, terminal operators and ocean freight forwarders.

LOGISTICS NEWS

The home of the latest news from global and Asian logistics providers.

SUPPLY CHAIN NEWS

Latest product news and innovations affecting the supply chain covering everything from warehouse equipment to the latest IT solutions.

E-COMMERCE/TECHNOLOGY NEWS

LogiSYM is the home of technology and IT supply chain innovation.

FEATURE SECTIONS

STRATEGY & BUSINESS

Taking it from the top, this management-oriented section provides expert advice on developing high-level company and supply chain performance.

SOFTWARE & SYSTEMS

Discussing the latest information technology (IT) applications that support discrete logistics activities and enable effective collaboration across the supply chain.

HANDLING & STORAGE

Going down to the floor to cover equipment and operations for the efficient movement and storage of materials in factories, warehouses and distribution centers.

LOGISTICS LOCATIONS

LogiSYM's analysis of Asia's leading hubs.

EDITORIAL CALENDAR

We are delighted to welcome you to LogiSYM, a magazine aimed at supply chain executives. LogiSYM will bring you the latest developments in the logistics and supply chain industry every month in our digital format and quarter in print including regular news updates, industry features and one-on-one interviews with leaders in the supply chain industry. Our mission is to bring a new dimension of information and knowledge to our readers.
